

STRATT Accessibility Statement

Last Updated: June 2026

Our Commitment

STRATT is committed to ensuring digital accessibility for people of all abilities. We strive to provide an inclusive online experience and continually work to improve the usability and accessibility of our website.

Accessibility Standards

Our goal is to conform as closely as possible to the Web Content Accessibility Guidelines (WCAG) 2.2 Level AA. We regularly review our website and make improvements to enhance accessibility and usability for all visitors.

Accessibility Assistance

This website includes an accessibility widget that allows visitors to customize certain aspects of the browsing experience, including text size, contrast settings, spacing adjustments, and other accessibility-related preferences. These tools are intended to enhance usability and support a wide range of user needs.

Ongoing Improvements

We are committed to providing an accessible experience for all users and continually work to improve accessibility throughout our website. Some users may benefit from the accessibility tools available through our accessibility widget, which provides options such as contrast adjustments, text resizing, and other personalization features to enhance usability based on individual preferences.

Third-Party Content

While we strive to ensure accessibility throughout our website, some third-party content, documents, embedded tools, or integrations may not be fully accessible. We encourage users to contact us if they encounter accessibility barriers while using third-party content.

Feedback and Contact Information

If you experience difficulty accessing any content on this website, notice an accessibility issue, or require assistance, please contact us. When reaching out, please provide details about the page or feature you encountered so we can investigate and address the issue as promptly as possible.

Statement Updates

This Accessibility Statement may be updated periodically to reflect improvements to our website and accessibility practices.
